ANALYSIS: (Attach a separate page if necessary)

This bill amends the juvenile delinquency statutes to broaden its jurisdiction to reach persons who are over 18 and no longer minors, but who are alleged to have committed a criminal offense or violation while a minor. The Public Defender Agency's operations will be fiscally impacted because it will increase its caseload with offenses that are currently not prosecuted. It is not possible to predict with any accuracy, however, the number of new cases that would be assigned to the Agency, that will be generated as a result of this broadened jurisdiction. This bill also provides for a Delinquency Rule change to allow the court, upon the application of any party, to allow telephonic or televised participation of the minor at certain court hearings. This will also have a fiscal impact on PD operations because it will require the minor's appointed attorney to take additional time to travel to the minor to be present with the minor for these permitted telephonic proceedings to facilitate adequate representation of the minor. For all of the above reasons an indeterminate note is submitted.
